

Tentative agenda

The 11th International Conference on Maternal and Child Health 12-14 December 2018, Montien Riverside Hotel, Bangkok, Thailand

The theme for the 11th Maternal and Child Health (MCH) Handbook International Conference is “the Miracle of First 1000 Days for Sustainable Development Goals (SDGs) - MCH Handbook as a family-based tool”. As the first 1000 days of life leads to lifelong impact, we aim to recognize the importance of MCH Handbook as a basic family-based tool using for promote parental health literacy so they can raise a child in appropriate way.

Objective:

- To update about the progress of MCH handbook developed around the world
- To learn from the best practice country that can utilize the MCH handbook in the most useful and practical way.
- To discuss about the future plan for the sharing knowledge and innovations about MCH handbook in consideration of Universal Health Coverage (UHC).

The meeting will be held during 12 -14 December 2018 with one-day field visit and 2-day conference
